CARING FOR OUR IMMIGRANT NEIGHBORS

An Interprofessional, Multi-Media Event Available to Students, Faculty and Staff on Loyola’s Health Sciences and Lake Shore Campuses

WEDNESDAY APRIL 20, 2016 • 10:30AM - 1:00PM

WEDNESDAY, APRIL 20, 2016 • 10:30AM - 1:00PM

TWO LOCATIONS:

IN PERSON: Center for Translational Research and Education (CTRE), Loyola Health Sciences Division (HSD) Campus, Maywood, IL

REMOTE/VIRTUAL: Information Commons, 4th floor, Lake Shore Campus (LSC), (Originates from HSD Campus)

This program will provide an interactive overview of immigration law in the US enabling participants to develop and apply knowledge using an audience response system. And you will have an opportunity to hear a narrative history of the exclusion of undocumented immigrants from our health care system from a leading national expert.

You may attend in-person on the Health Sciences Division (HSD) campus in the auditorium of the new Center for Translational Research and Education (CTRE) or participate remotely/virtually at the 4th floor of the Information Commons (IC) of the Lake Shore Campus (LSC).

Tablets or lap-tops are recommended accessories.

LEARNING OBJECTIVES:

At the end of this program the participants will be able to:

1. Describe the basic elements of U.S. immigration policy and the challenges this system poses for millions of migrants.

2. Analyze the duties of citizens, especially health care professionals, to advocate for inclusion of all residents of our communities within the health-care system.

This program is sponsored by:

The Ralph P. Leischner, Jr., Department of Medical Education and Loyola University’s Institute for Transformative Interprofessional Education (I-TIE)
