

CMF Staff Recognition Program

The CMF Staff Recognition Program is designed to promote exemplary customer service, excellent care for the animals in our charge, and an atmosphere of encouragement and positivity.

Please fill out the form below and submit it to the CMF office if you have had an experience with a CMF staff or faculty member that you think deserves acknowledgement. All staff recognition forms will be read aloud during the regular CMF staff meetings to distinguish those honored with compliments. In addition, the submitted forms will be used, along with other criteria, to choose a CMF employee of the quarter. Lastly, if we meet our annual recognition goal, the CMF team will be treated to a celebratory luncheon.

The CMF Awards Committee thanks you for taking the time to further our mission and we hope you have many positive experiences in the future.

Your Name: _____

Date: _____

Department: _____

Phone Ext: _____

Investigator: _____

CMF Staff Member's Name: (if you're not sure, call X69178): _____

1. **Everyday services provided (check all that apply):**
