

## Standard Operating Procedure

SOP Number: **02-18-4001**  
Service: **Research**  
Operating Section: **Husbandry**  
Unit: **CMF**  
Title: **Cancer Center Room Use**

---

**Purpose:**

To establish definitions of Cancer Center housing areas.

---

**Procedure:**

- 1) Individual Cancer Center room use:
  - a) Room 310 is for Cancer Center experimental procedures described in an approved ACORP. No animals taken from this area may be returned, except animals taken for irradiation. If animals are brought from other animal rooms on campus, they must be brought to the room by CMF staff. No breeding is allowed in this room.
  - b) Room 312 is for breeder animal housing. Animals may be moved from this room to another Cancer Center room by CMF staff, but they cannot be moved back into the breeding room.
  - c) Room 322 is for general housing and gene gun procedures. Animals that leave this area cannot return to Cancer Center housing. No breeding is allowed in this room.
  - d) Room 222 is for general housing. Animals that leave this area cannot return to Cancer Center housing. This room is not approved for gene gun experimentation. No breeding is allowed in this room.
- 2) Observe all posted gowning procedures prior to entering animal housing area.
