

Mass of the Holy Spirit

Join us in the celebration of a new year, asking for wisdom and guidance, learning and growth for the greater glory of God.

The Mass of the Holy Spirit is a tradition dating to 1548 among Jesuit educational institutions. This liturgical celebration is a way to invite God's Holy Spirit to guide and bless our pursuits during the new academic year. All members of the LUC and LUHS community from all religious traditions are invited to share in this special celebration of contemplation and community.
